a tenacious struggle for justice our grandfathers were braceros and we too is an excellent
work of tremendous relevancy for our times given its focus on the issue of migration and
above all for keeping the struggle alive against the violations of labor and human rights

seen in temporary worker programs authors abel astorga morales and rosa martha zúrate macías share an intense painful chronical with us but one that is also full of the lessons handed down by peasants and indigenous peoples who participated in the bracero program between 1942 and 1964 this book faithfully compiles the historic memory and testimonies of braceros living in the united states setting a momentous precedent that the mexican population in the country to the north will have in the twenty first century the majority of protagonists of this history have now departed without recovering the fruits of so many years of their labor while a few survivors and family members still wait for justice to be done as a people they have grown and developed in the north and have real possibilities for making a social political economic spiritual and cultural impact father josé alejandro solalinde guerra abel astorga morales phd a professor at universidad del valle de Atemajac in guadalajara jalisco mexico earned his doctorate in social sciences and a master's degree in the history of mexico from universidad de guadalajara his lines of research include the bracero program social movements and transmigration of central americans through mexico rosa martha zúrate macías has resided in california since 1966 she is a retired teacher singer songwriter people's educator and founder of librería del pueblo a c since 1966 she has collaborated in developing community projects in mexico and the united states and for the past 20 years has participated in the social movement of braceros since 2007 she has been the coordinator of the alliance of ex braceros of the north 1942 1964 madeline newman ríos m a a certified freelance interpreter and translator is the former director of the guatemalan education action project and editor of its guatemala review publications her pro bono work has included interpreting for asylum cases and organizing interpreting teams for indigenous consultant organizations at the united nations

as the first and largest guestworker program the u s mexico bracero program 1942 1964 codified the unequal relations of labor migration between the two nations this book interrogates the articulations of race and class in the making of the bracero program by introducing new syntheses of sociological theories and methods to center the experiences and recollections of former braceros and their families

community voices are often an underrepresented aspect of our historical and cultural knowledge of the u s southwest in this collection established and emerging scholars draw upon their rootedness in the u s southwest and u s mexico borderlands the mexicana contributors use personal and scholarly inquiry to discuss what it means to cultivate spaces of belonging navigate language policies and explore and excavate silences in various spaces among other important themes from the recruitment of latinas for the u s benito juárez squadron in world war ii to the early twentieth century development of

bilingual education in arizona to new and insightful analyses of bracero program participants and their families the book details little known oral histories and archival material to present a rich account of lives along the border with emphasis on women and the working class as the inaugural publication of the arizona crossroads series readers will find arizona featured as a central node of borderlands roots and routes each section of the book intentionally centers arizona within broader comparative and cross state dialogues alongside chapters that reflect regional concerns in other southwestern states including texas california colorado and new mexico throughout this volume highlights the ways in which personal experience community building and scholarly perspectives can provide a powerful space for community voices contributors vanessa fonseca chavez lillian gorman gloria holguin cudraz anita huizar hernandez christine marin valerie a martinez alina romandez karen r roybal yvette j saavedra liliana toledo guzman andrea tovar

2016 choice outstanding academic title just looking at the pacific northwest's many verdant forests and fields it may be hard to imagine the intense work it took to transform the region into the agricultural powerhouse it is today much of this labor was provided by mexican guest workers tejano migrants and undocumented immigrants who converged on the region beginning in the mid 1940s of forests and fields tells the story of these workers who toiled in the fields canneries packing sheds and forests turning the pacific northwest into one of the most productive agricultural regions in the country employing an innovative approach that traces the intersections between chicana/o labor and environmental history mario sifuentez shows how ethnic mexican workers responded to white communities that only welcomed them when they were economically useful then quickly shunned them he vividly renders the feelings of isolation and desperation that led to the formation of ethnic mexican labor organizations like the pineros y campesinos unidos noroeste pcun farm workers union which fought back against discrimination and exploitation of forests and fields not only extends the scope of mexican labor history beyond the southwest it offers valuable historical precedents for understanding the struggles of immigrant and migrant laborers in our own era sifuentez supplements his extensive archival research with a unique set of first hand interviews offering new perspectives on events covered in the printed historical record a descendent of ethnic mexican immigrant laborers in oregon sifuentez also poignantly demonstrates the links between the personal and political as his research leads him to amazing discoveries about his own family history mariosifuentez.com examines the history and culture of mexico and its relations with its neighbors to the north and east from the spanish conquest to the current presidency of vicente fox

divided into four volumes race and ethnicity in america provides a complete overview of the history of racial and ethnic relations in america from pre contact to the present the five

hundred years since europeans made contact with the indigenous peoples of america have been dominated by racial and ethnic tensions during the colonial period from 1500 to 1776 slavery and servitude of whites blacks and indians formed the foundation for race and ethnic relations after the american revolution slavery labor inequalities and immigration led to racial and ethnic tensions after the civil war labor inequalities immigration and the fight for civil rights dominated america s racial and ethnic experience from the 1960s to the present the unfulfilled promise of civil rights for all ethnic and racial groups in america has been the most important sociopolitical issue in america race and ethnicity in america tells this story of the fight for equality in america the first volume spans pre contact to the american revolution the second the american revolution to the civil war the third reconstruction to the civil rights movement and the fourth the civil rights movement to the present all volumes explore the culture society labor war and politics and cultural expressions of racial and ethnic groups

the pew and the picket line collects works from a new generation of scholars working at the nexus where religious history and working class history converge focusing on christianity and its unique purchase in america the contributors use in depth local histories to illustrate how americans male and female rural and urban and from a range of ethnic backgrounds dwelt in a space between the church and the shop floor their vivid essays show pentecostal miners preaching prosperity while seeking miracles in the depths of the earth while aboveground black sharecroppers and white protestants establish credit unions to pursue a joint vision of cooperative capitalism innovative and essential the pew and the picket line reframes venerable debates as it maps the dynamic contours of a landscape sculpted by the powerful forces of christianity and capitalism contributors christopher d cantwell heath w carter janine giordano drake ken fones wolf erik gellman alison collis greene brett hendrickson dan mckanan matthew pehl kerry l pimblott jarod roll evelyn Sterne and arlene sanchez walsh

in this book mireya loza sheds new light on the private lives of migrant men who participated in the bracero program 1942 1964 a binational agreement between the united states and mexico that allowed hundreds of thousands of mexican workers to enter this country on temporary work permits while this program and the issue of temporary workers has long been politicized on both sides of the border loza argues that the prevailing romanticized image of braceros as a family oriented productive legal workforce has obscured the real diverse experiences of the workers themselves focusing on underexplored aspects of workers lives such as their transnational union organizing efforts the sexual economies of both hetero and queer workers and the ethno racial boundaries among mexican indigenous braceros loza reveals how these men defied perceived political

sexual and racial norms basing her work on an archive of more than 800 oral histories from the united states and mexico loza is the first scholar to carefully differentiate between the experiences of mestizo guest workers and the many mixtec zapotec purhepecha and mayan laborers in doing so she captures the myriad ways these defiant workers responded to the intense discrimination and exploitation of an unjust system that still persists today

structured to meet employers needs for low wage farm workers the well known bracero program recruited thousands of mexicans to perform physical labor in the united states between 1942 and 1964 in exchange for remittances sent back to mexico drawing on an extraordinary range of sources ana elizabeth rosas uncovers a previously hidden history of transnational family life intimate and personal experiences are revealed to show how mexican immigrants and their families were not passive victims but instead found ways to embrace the spirit abrazando el esp ritu of making and implementing difficult decisions concerning their family situations creating new forms of affection gender roles and economic survival strategies with long term consequences back cover

encyclopedia of agriculture and food systems second edition five volume set addresses important issues by examining topics of global agriculture and food systems that are key to understanding the challenges we face questions it addresses include will we be able to produce enough food to meet the increasing dietary needs and wants of the additional two billion people expected to inhabit our planet by 2050 will we be able to meet the need for so much more food while simultaneously reducing adverse environmental effects of today s agriculture practices will we be able to produce the additional food using less land and water than we use now these are among the most important challenges that face our planet in the coming decades the broad themes of food systems and people agriculture and the environment the science of agriculture agricultural products and agricultural production systems are covered in more than 200 separate chapters of this work the book provides information that serves as the foundation for discussion of the food and environment challenges of the world an international group of highly respected authors addresses these issues from a global perspective and provides the background references and linkages for further exploration of each of topics of this comprehensive work addresses important challenges of sustainability and efficiency from a global perspective takes a detailed look at the important issues affecting the agricultural and food industries today full colour throughout

examines the history and culture of mexico and its relations with its neighbors to the north and east from the spanish conquest to the current presidency of vicente fox
